

Matt Dimock

Server | Bartender | Barback

Mount Juliet, TN | 805-620-2826 | mattdim805@gmail.com | linkedin.com/in/mattdimock/

SUMMARY

High-ownership hospitality and customer-facing operator with active restaurant floor and bar-support experience, plus 19 years across demanding customers, sales, operations, retail, training, and service-driven environments. Best fit: server, barback, or bartender-track roles where maturity, fast recall, stamina, calm under pressure, and team-first execution matter. Open availability, nights and weekends, reliable transportation, and TABC certified.

Brings owner-level judgment, high-volume guest service, strong memory, physical stamina, process discipline, and no-ego support for whatever keeps service moving.

SKILLS

Guest Service & Sales	Warm presence; demanding customer communication; recovery judgment; upsell awareness; repeat-guest mindset; polished follow-through.
Bar & Floor Readiness	TABC certified; bar support; alcohol running; drink garnishing; stocking; restocking; table setup; bussing; food running; clean handoffs.
Pace, Memory & Detail	Fast menu learning; table and seat-number recall; multitasking; checklists; accuracy under pressure; strong attention to small details.
Reliability & Stamina	Open availability; nights and weekends; physically fit; 10K+ daily steps; gym-active; heavy-lifting comfort; steady energy.
Ownership & Team Fit	No ego; takes direction; communicates clearly; solves problems; supports coworkers; protects the guest experience.

EXPERIENCE

The Farm House Restaurant

Server / Bar Support | May 2026 - Present

- Serve guests and support floor execution in high-volume shifts with 160+ reservations, staying organized across table numbers, seat positions, pacing, side work, and guest flow.
- Support bar and service teams by running alcohol, garnishing drinks, pulling ice, stocking supplies, setting tables, bussing, running food, solving small service issues, and helping coworkers protect the guest experience.

Get Fractional

Growth Systems Consultant / Owner | Oct 2022 - Present

- Own growth and operating-system work for ecommerce and B2B clients, turning messy priorities into campaign calendars, dashboards, vendor coordination, site improvements, and accountable follow-through.
- For OC Ramps, manage Shopify growth execution across SEO, email, onsite conversion, reporting, and agency coordination; helped deliver a record December 2025 month and a 39% H2 vs H1 monthly revenue lift after re-engaging campaign management.

Prosper Wireless

Director of Growth & Retention | Sept 2023 - Nov 2025

- Built training, onboarding, lifecycle, and support systems for a high-volume telecom operation serving roughly 600K+ activations and customers, reducing onboarding burden by about 50%.
- Operated as a right-hand systems leader under shifting program, compliance, partner, and customer demands, keeping execution organized when speed and detail both mattered.

Dealer Acceleration Group

Co-Founder / Chief Revenue Officer | Jan 2022 - Dec 2022

- Co-founded a fast-moving startup, helped raise \$300K in seed funding, and directed 3 major pivots in 12 months based on market signal, customer conversations, and unit economics.

Affordable Insurance Quotes

Chief Marketing Officer | Jun 2020 - Dec 2021

- Helped scale a customer-facing insurance business from about \$290K to \$2M in 18 months by improving follow-up, sales systems, affiliate operations, and day-to-day operating structure.
- Generated 30K+ leads at a 55% conversion rate and helped build the operating framework that expanded the business from 1 to 16 states.

Breakthrough Academy

Marketing Operations Manager | Aug 2019 - Jun 2021

- Coordinated events, webinars, partners, vendors, and internal teams in a service-driven membership business where timing, presentation, and responsiveness shaped the customer experience.
- Built partner-led webinar and event systems that achieved 30%+ conversion rates and outperformed the prior top event channel.

EXPERIENCE

SkyFineUSA

Chief Marketing Officer / Head of Growth | Jan 2019 - Aug 2019

- Led ecommerce and operational execution in a fast-paced retail business, coordinating priorities across sales, product, reporting, QA, billing, vendor servicing, inventory, and shipping.

Bob's Watches

Director of Marketing | Jan 2017 - Dec 2018

- Helped grow luxury ecommerce revenue from \$20.5M to \$45M in 24 months while leading a 9-person team and 15+ vendors in a business where trust, timing, accuracy, and presentation were revenue-critical.

Swell Marketing

SEO Manager / SEO Director | Feb 2016 - Jun 2016

- Earned promotion to SEO Director within three months while improving SOPs, onboarding, team execution, and client communication in a demanding agency environment.

iMarket Solutions

SEO Manager | May 2013 - Jan 2016

- Recruited, trained, and managed a five-person team while overseeing 400+ client accounts at the team level and personally managing 45 VIP client relationships.

National Positions

SEO Specialist / Director of Special Projects | Sep 2007 - May 2013

- Managed more than 120 client accounts per month earlier in tenure, building durable habits around pace, recall, issue tracking, customer communication, and follow-through.

Lowe's Home Improvement

Team Leader, Paint Department | Mar 2005 - Feb 2007

- Promoted into a team-lead role within six months and helped run a four-person department through customer service, stocking, merchandising, inventory counts, opening, closing, and hands-on floor execution.

Boething Treeland Nursery

Guide | Dec 2003 - Aug 2004

- Promoted from Loader to Guide within three months, supporting customers, loading, restocking, grounds upkeep, and physically demanding daily operations in a fast-paced retail environment.
